13. Describe Proposed or Completed Operations

It is intended to commingle the subject well in the Basin Fruitland Coal (Pool Code 71629) and the Aztec Pictured Cliffs (Pool Code 71280). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the work is completed. Commingling will not reduce the value of the production. Bureau of Land Management has been notified in writing of this application.

Interest is common. No notification required.
