(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This Sundry Notice And Report on Wells is submitted to correct an inadvertant error when filing the APD for this well on April 9, 1975. This well was a replacement well for the Garland "B" No. 1 well located 990' FSL; and 990' FWL of Section 27, T29N-R11W NMPM of San Juan County, New Mexico. When the APD was filed for replacement well, the "B" designation was inadvertently omitted.

This well should be the Garland "B" No. 1R.
