BY **SUPERVISOR DISTRICT # 3**
TITLE
This form is to be filed in compliance with RULE 1104.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.
All sections of this form must be filled out completely for allowable on new and recompleted wells.
Fill out only Section I, II, III, and VI for changes of owner, well name and/or number, or transporter or other such change of condition.
Separate Forms C-104 must be filed for each pool in multiply completed wells.

Re: State Deliverability Retest Request
San Juan Basin, New Mexico

Gentlemen:

Please find attached a list of Tenneco operated wells that need to be retested due to the addition of artificial lift. Each well's location and production information is included for your convenience. The artificial lift method is also included.

It is requested that these wells be scheduled for retest after July 1, 1988. If there are any problems or questions regarding this request, please notify me at (303) 740-4811.

Very truly yours,

TENNECO OIL COMPANY
