Re: Benson & Montin
Gallegos Canyon Unit #2
K-35-29N-12W

Dear Mr. Greer:

The subject well was not transferred to the then Stanolind Oil and Gas Company when Stanolind became the operator of the Gallegos Canyon Unit.

The well has not been plugged.

If the well rightfully belongs to the successor owner of the Gallegos Canyon Unit, please forward this letter to them.

If Benson & Montin is responsible for the plugging, please file a proposed plugging program on form C-103.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
