Re: Changes in drilling plans

Dear Mr. Aab:

We are returning your revised C-101s on the Hanley B #1, N-18-29N-10W. The correct form to use when making changes in previously approved plans (approved C-101s or C-103s) is form C-103. Please file form C-103 in triplicate to effect the change of plans to drill to the Mesaverde. The plats you submitted are ok and we are holding them for the receipt of your forms C-103s.

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
