13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well is now connected to a gas sales line. It appears that the well may have a casing leak. Plan to check for leaks and repair, if necessary. Production will commence immediately after any needed work is finished.
