On 10/22/2001 AP America Production Company requested authority to add a completion in the Blanco Mesaverde Pool and trimingle production downhole with the existing Basin Dakota and Blanco Pictured Cliffs Pools. Authority was granted 11/16/2001.

As it is no longer our intention to proceed with the proposed completion into the Mesaverde and downhole trimingling of the production we respectfully request that this application be withdrawn.

The well will remain a Basin Dakota - Blanco Pictured Cliff dual producer.
