Farmington, NM 87401

Re: Wilson #2 G-31-29N-10W

Dear Barbara:

Annual packer test on the referenced well indicates commu-
nications between the producible zones.

In order to comply with Rule 112-A and the order authorizing
the multiple completion, you are hereby directed to initiate
immediate remedial action.

Yours truly,

A handwritten signature in cursive script that reads "Charles Gholson".

Charles Gholson
Oil & Gas Inspector
