Re: Dorothy #1 I-11-29N-15W

Dear Mr. Strickland:

Your proposed method of making up overproduction
is satisfactory to this office.

In order to clear up the confusion as to the volume of
gas produced by the referenced well would you please
send this office a copy of the test chart for the
GOR test run on 10-30-80. Please send it to my
attention.

If you have any questions please contact this office.

Yours truly,
