Gentlemen:

We are in receipt of your above-referenced bond. In checking this bond, we find that the wrong bond form was used, and if the depth of the well indicated on the bond is correct, that is 775 feet, a \$5,000 bond is all that is required.

The Oil Conservation Division hereby approves the above-captioned bond temporarily until the enclosed correct bond form is completed and returned to this office.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

JOE D. RAMEY,  
Director
