NOTE:

Richardson Operating Co.,- sent a C104 operator change, which was signed by Edwards Energy Corporation. They said it was previously Edwards. But our records show Robert L. Bayless as the operator, and C104 was never filed to change operator to Edwards Energy, and I mention this to Richardson, so they had Edwards Energy fill out a C104 and had Bayless sign off on it. There was no bond approval for Edwards Energy, so I couldn't change it in ONGARD as the previous operator. I approve the C104 oper.chge to Richardson.
