SUPERVISOR DISTRICT # 3

This form is to be filed in compliance with N.M.S. 190a.
If this is a request for allowable for newly drilled or deepened well, this form must be accompanied by a calculation of the reservoir tests taken on the well in accordance with N.M.S. 190a.
All sections of this form must be filled out completely for allowable on new and recompleted wells.
Fill out only Sections 1, 10, 11, and 12 for a request of new well name or number, or transporter of other such change of permit.
Separate Form 1100a must be filed for each permit to produce completed wells.
