Re: Kirtland #11 C-18-29N-14W

Dear Ms. Price:

The acreage for the referenced well was force pooled by Division Order R-6800. The order requires that revenue from the well which is not disbursed for any reason be escrowed in a bank in San Juan County.

A letter has been forwarded to us from the BLM which indicates that the royalties have not been paid on Navajo Reservation land that was force pooled. Due to the large amount of money involved and the possible violation of a Division order, we need to know as soon as possible whether or not the royalties have been paid and if not, where they are escrowed.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank T. Chavez".
