Dear Ms. Jenkins:

Amoco is approved operator of Communitization Agreement (CA) NMA-10, which covers the Mesaverde formation in the N/2 of Section 26, T.29N., R.11W. and includes portions of lease NMSF-047020B. By letter dated June 4, 1996, Amoco was given until August 5, 1996, to demonstrate that the well committed to this CA, The No. 1 Davis Gas Com, located on Fee land, was capable of producing in paying quantities. You did not do so. Therefore, CA NMA-10 is terminated, effective September 1, 1996.

If you have any questions concerning this matter, please call Geneva McDougall at (505) 599-6355.
