Application for Unorthodox Location
State Gas Com "BZ" Well No. 1
Bloomfield Chacra/Armenta Gallup Field
San Juan County, New Mexico

RECEIVED
MAR 14 1983
OIL CON. DIV.
DIST. 3

Amoco Production Company hereby requests approval of an unorthodox location for our State Gas Com "BZ" No. 1 at a location 1850' FSL and 1080' FEL, Section 32, T29N, R10W, San Juan County, New Mexico.

The Bloomfield Chacra is orthodox, but the Armenta Gallup is unorthodox. The well was staked 1850' FSL and 1080' FEL because of topography. If we had staked this well orthodox for both formations, we would have been on a ridge. See the attached sketch on Form C-102 and a copy of the topo map.

A copy of this application is being sent by certified mail to the offset lease holders, Getty Oil Company and Union Texas Oil Company, with the request that they furnish you a waiver of objection and return one copy of the same to me.

Very truly yours,

Original Signed By
S.D. Blossom
