CONFIDENTIAL—RETIRED REQUEST REQUESTED

Southland Royalty Company
P.O. Box 570
Farrington, NM 87499

ILLEGIBLE

Gentlemen:

Enclosed are your Applications for Permit to Drill (APDs) for the following wells:

1. No. 101 Ware, sec. 2, T. 28 N., R. 10 W., San Juan County, New Mexico, lease SF-078158.
2. No. 44 Wareed, sec. 34, T. 28 N., R. 13 W., San Juan County, New Mexico, lease SF-0468121.
3. No. 101 Grenier, sec. 6, T. 31 N., R. 11 W., San Juan County, New Mexico, lease SF-078115.

As discussed with Mr. Doug Harris of your Company on February 12, 1986, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely,

John H. Hillentech
Area Manager
