RE: Illegal Pits in Northwestern New Mexico
MOI Hubbell Com #296, B-20-29N-10W (Blow pit)

Dear Ms. McMorris:

New Mexico Oil Conservation Order R-8952 (for the protection of migratory birds) became effective June 15, 1989 and states that all pits and open tanks more than 16' in diameter shall be screened, netted or covered.

On March 25, 1993 field inspections revealed that the above mentioned pit contained a small amount of standing oil. In order for this pit to be in compliance, you are hereby directed to remove all fluid or properly net this pit by May 17, 1993.

If you have any questions please feel free to call this office.

Sincerely,

Dianna K. Fairhurst

Dianna K. Fairhurst
