Re: Archuleta Gas Com B #1 well, located N-19-30N-08W, San Juan County, New Mexico

A conversation with Mr. Brian Davis of the Bureau of Land Management, Farmington Resource Office, has revealed that Amoco needs a communitization agreement for the referenced well. Your C-104 approval, authorization to transport gas, is hereby cancelled and you are directed to shut the well in until an agreement is obtained and signed by all parties.

If you have any questions, please contact me at the letter head address or (505) 334-6178.

Your's truly,

Ernie Busch
Deputy Oil & Gas Inspector
