Golden Bear #4
NW/4 Sec. 2, T29N, R13W

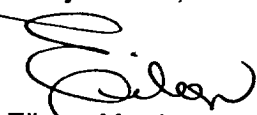

Dear Dorothy:

This is to advise an error in our State reports for the two above referenced wells. We have been showing them as "Fee" leases but they are both "State" leases, #OG-1638.

Please advise if you can make those corrections on your copies or if you require us to submit revised forms.

Sorry for this error. We've corrected our files here and hopefully will not mess them up again!!

Many thanks,

Eileen Morris
