Attention: Mr. DeLasso Lops

Administrative Order NSL-40

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Northeast Blanco Unit Well No. 44-4, to be located 285 feet from the North line and 2330 feet from the East line of Section 4, Township 30 North, Range 7 West, NMPM, San Juan County, New Mexico, in the Blanco-Mesaverde Pool.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

Inasmuch as you are the only offset operator, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 1, Section (c) of the Special Rules and Regulations for the Blanco-Mesaverde Gas Pool, as set forth in Order R-110, you are hereby granted an exception to the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. Porter, Jr.
Acting Secretary-Director

Attention: Mr. Delano Jones

Administrative Order 1935-10

Gentlemen:

Reference is made to your application for approval of an
orthodox well location for your Northeast Blanco Unit Well No. 44-4, to
be located 385 feet from the North line and 232 feet from the East line
of Section 4, Township 30 North, Range 3 West, Mineral and Gas Grant
New Mexico, in the Blanco-Mesaville Pool.

It is our understanding that this north and west location is
based upon extreme topographic conditions in the NW 1/4 of said section.

Inasmuch as you are the only offset operator, it is possible that
immediate approval will be granted. Therefore, by authority granted me
under provisions of Article I, Section (c) of the Special Rules and Regulations
for the Blanco-Mesaville Gas Pool, as set forth in Order R-116, you are
hereby granted an exception to the above described orthodox well location.
You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. Fowler, Jr.
Acting Secretary, Commission

Attest:
U. S. Geological Survey, Washington
Oil and Conservation Commission, Aliso
