Mr. R. E. Jackson
Box 891
Farmington, New Mexico

Dear Sir:

We are writing in regard to your #2 R. Bruce Sullivan well located in the SW $\frac{1}{4}$ Section 30-29N-10W. We have nothing in our file on this well except a Notice of Intention to Drill and have been advised that it is a completed gas well.

Section "M" of the Oil Conservation Commission Rules and Regulations sets out requirements sofar as filing of forms is concerned. You will note that Rule 1106 states that Form C-103 shall be filed for test on casing shut-off within 10 days after the work is performed and also within 10 days after any artificial stimulation. Rule 1108 also specifies that within 20 days after completion of the well "Well Record", Form C-105 shall be filed, giving all pertinent information regarding the well. We therefore believe that you are in violation of our Rules and Regulations. Will you please take care of this matter at once.

If we can be of assistance to you, please let us know.

Yours very truly

Dear Sir:

We are writing in regard to your #2 R. Bruce Sullivan well located in the SW 1/4 Section 30-SW-10W. We have nothing in our file on this well except a notice of intention to drill and have been advised that it is a completed gas well.

Section 30 of the Oil Conservation Commission Rules and Regulations sets out requirements as to filing of forms as concerned. You will note that Rule 1106 states that Form O-103 shall be filed for each on casing shut-off within 10 days after the work is performed and also within 10 days after any artificial stimulation. Rule 1108 also specifies that within 30 days after completion of the well "Well Record", Form O-102 shall be filed, giving all pertinent information regarding the well. We therefore believe that you are in violation of our Rules and Regulations. Will you please take care of this matter at once.

If we can be of assistance to you, please let us know.

Yours very truly
