Dear Sir:

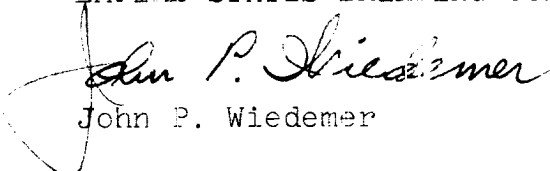

In regard to your inquiry covering the No. 2 E. Bruce Sullivan well in Section 30, T 29 N, R 10 W, addressed to Mr. R. E. Jackson, we wish to advise that an argument over completion methods resulted in the temporary stoppage of operations. Subsequently, this property was sold to Mr. Alfred E. McLane, 1700 Mercantile Bank Building, Dallas, Texas. We have asked him to advise his intentions but so far have heard nothing from him and thought he might have contacted you direct.

As a matter of information, we are attempting to consolidate the interests operated under Mr. R. E. Jackson and transfer them to our company, Empire States Drilling Corporation. Notice of this has been filed and a blanket bond has been requested which should be in order in a few days.

With best regards.

Very truly yours,

EMPIRE STATES DRILLING CORP.
