State Oil Conservation Commission
State Capitol Building
Santa Fe, New Mexico.
Attention; M. Macey
gentlemen,

Melborne Petroleum Corporation respectfully requests permission to deepen the Truett Well, located in the SE 1/4 of section 16, T. 29 N., R. 11 W., San Juan County, New Mexico. To have a permit to the Farmington, and would like to drill to the Fruitland-Picture Cliff Formation. Survey plats and all necessary information have been filed with the Aztec office and in Santa Fe.

Thank you for your courtesy and cooperation.

Respectfully,

Melborne Petroleum Corporation

William J. Bingham
Secretary
