Attention: Mr. Emery Arnold

RE: Rosa Unit No. 49
Section 27 - 31N - 4W
Rio Arriba County, New Mexico

Gentlemen:

Mr. Wayne Bennett, Assistant Ranger for the Carson National Forest, advised me April 27, 1965 that the road conditions through the National Forest to the Rosa Unit No. 49 well are so poor and muddy that any travel on them at this time would be impossible. Mr. Bennett is also mailing you a letter stating this fact for your files.

In view of these conditions, we are requesting a delay to commence the work necessary as per your letter of March 19, 1965

Should there be any questions regarding this matter, please advise.

Very truly yours,

SHAR-ALAN OIL COMPANY
