Re: Kerr-McGee - Tom Springer, Southside River Road Ranch

Dear Rick:

My clients have elected to permit your client, Kerr-McGee, access to the well on the above referenced ranch to allow them to plug and abandon same. We certainly appreciate the offer of your client to transfer the rights to the surface owner but, under the circumstances, the liability appears too great to accept that offer.

This letter serves as your written authority to enter the subject premises to perform whatever work you deem appropriate to comply with the Oil Conservation Department's order to plug and abandon. Thank you for your assistance.

Sincerely yours,

Kevin Hale
