Dallas, TX 75770

RE: Plugging bonds

Dear Mr. McCrary:

The below listed wells operated by your company, are in violation of Rule 101 of the Oil Conservation Division, by not having adequate bonds. You are hereby directed to plug and abandon, or make these wells useful. Before any operations are commenced on these wells, you must obtain a current bond. I have enclosed single well and blanket plugging bond forms for your convenience.

Brown #2	M-29-30N-12W
Wagner #1	K-29-30N-12W
Wyper #2	O-29-30N-12W

If you have any questions, please contact this office.

Yours truly,

Frank T. Chavez  
District Supervisor
