Re: Waggoner #1 K-29-30N-12W

Dear Mr. Brown:

I have contacted you twice about filing the necessary forms for taking full responsibility for the referenced well. Please file form C-104 in quadruplicate with this office immediately to avoid possible fines and shut-in of the well.

I have enclosed an example and a blank form for your use.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in dark ink, appearing to read "Frank T. Chavez". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
