Federal C #1, F-28-30N-11W, API 30-045-09197

Dear Dan:

As the enclosed copies of the 1996 Bradenhead test indicate, the referenced wells probably have a small casing leak. In order to comply with Rule #108, prevent waste, protect fresh water and protect the environment, you are hereby directed to initiate remedial activity prior to April 2, 1997.

Sincerely,

A handwritten signature in cursive script that reads "Johnny Robinson".

Johnny Robinson  
Deputy O&G Inspector
