LOG OF OIL OR GAS WELL

LOCATE WELL CORRECTLY

Company Name _____
Address _____
State _____
County _____
Section _____
Twp _____
Rng _____

The information given hereafter is a true and correct record of the well and all work done thereon. It is to be used as a permanent record and should be preserved as such.

Oil _____
Gas _____
Water _____

Oil or Gas Sands or Combs _____
No. 1 from _____ to _____
No. 2 from _____ to _____
No. 3 from _____ to _____

Important Water Sands _____
No. 1 from _____ to _____
No. 2 from _____ to _____

Casing Record _____
No. 1 from _____ to _____
No. 2 from _____ to _____

It is of the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any casing was "sidetracked" or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and number of shots. If plugs or bridges were put in to test for water, state kind of material used, position, and results of pumping or balling.
