Dear Mr. Duff:

On February 23, 1961 I received a copy of a letter which you had written to Mr. Frank Barnes of Santa Fe relative to plugging a well located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 28-30N-12W. In this letter you stated that Mr. Reynolds was to contact me for plugging instructions.

I was contacted by Mr. Reynolds shortly after receiving this letter but he informed me that he was awaiting further instructions from you before proceeding. I informed Mr. Reynolds that we would give him plugging instructions when he was ready to proceed.

Will you please advise if it is your intention to instruct Mr. Reynolds to plug the well as per our instructions.

Yours very truly
