(Field)

(County or Subdivision)

(State or Territory)

The elevation of the **ground** above sea level is **6333** ft.

DETAILS OF WORK

On November 1, 1955 Shiprock Industries, Inc. was purchased by Crawford Hill, Nathaniel P. Hill, Elmer D. Hill & Evelyn L. Hill. John F. Sullivan & Edward Aronson retained their interest. Instruments evidencing this have been filed with the Bureau of Land Management. The offices of Mr. John F. Sullivan and Shiprock Industries, Inc. were at the same address, namely, 3025 Willet Avenue, Calver City, California, until the first part of 1956, at which time the books and records of Shiprock Industries, Inc. were transferred to: 2000 National Bank of Tulsa Building, Tulsa 3, Oklahoma.

Previous reports and operations were made by John F. Sullivan. This was done by reason of his being the President of Shiprock Industries, Inc. at that time, although a designation of operator in favor of Shiprock Industries, Inc. should have been made.

The interests are now segregated, and in the future all required reports will be made by Shiprock Industries, Inc..

I understand **SHIPROCK INDUSTRIES, INC.** and **JOHN F. SULLIVAN** in writing by the Geological Survey before operations may be commenced.
