Re: Application of Maleta Y. Brimhall and  
Barbara Burnham for Compulsory Pooling,  
San Juan County, New Mexico

Dear Mr. Jeffries:

We have your letter of December 2, 1964, and the above application. We have tentatively docketed this case to be heard at the examiner hearing to be held on January 6, 1965.

Due to the nature of this case, I do not feel that it will be necessary for your clients to appear at the hearing; however, you will probably want to introduce into the record a deed or other evidence to establish the nature of your clients' interest in the acreage.

Very truly yours,

*J. M. Durrett, Jr.*
