We have received a copy of Notice of Intention to Drill on your #3-10 Blanco 30-12 well in the SW¹/₄ Section 10-30N-12W, along with a form C-128 covering the same well.

We are requiring that operators file separate Form C-128 for each producing formation in a dual completion. Also we notice that you have dedicated only 160 acres for the Blanco Mesaverde portion of this dual completion.

Will you please re-submit Form C-128 for this well. We are enclosing a Memorandum regarding submittal of Forms on dual completions for your use in the future. If we can be of service please let us know.
