Re: Rijan Nos. 10 and 14 wells

Dear Mr. Arnold:

Thank you for your letter with reference to the above-referenced wells.

Your records are correct in showing that these wells were plugged and abandoned in 1970. As you surmise, however, we do intend to re-enter these wells and drill out the plugs to convert these wells to water injection.

We have not yet started this program and will keep you advised when we do this work.

Very truly yours,

Val R. Reese
