(NOTE: Report results of multiple completion or zone change on Form 9-330.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

I propose to run a Halliburton E-Z drill squeeze packer to isolate a suspected casing leak. The well will be evaluated for permanent repair or plug & abandonment.

Approval is granted to test well until July 24, 1981. At the end of that time it is required to permanently repair casing in order to produce well. Notify this office by sundry notice of intent on plans to repair casing.
