Re: Dare Devil #2, L-10-30N-13W

Dear Sirs:

According to our records, the referenced well and the Five of Diamonds #2, K-10-30N-13W, are both Fruitland formation producers and share the same 160 acres. The Five of Diamonds #2 was the first well in the quarter section which makes the Dare Devil #2 an infill well to it. The Dare Devil #2 must be changed to the Five of Diamonds #2S.

If you have any questions please call this office.

Yours truly,
