Florance #111, G-19-30N-08W

Dear Gary:

The annual Package Leakage Tests on the referenced wells indicate communications between the producible zones. In order to comply with Rule 112-A and the order authorizing the multiple completion, you are hereby directed to initiate immediate remedial activity.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson
Deputy Oil and Gas Inspector
