Union Texas Petroleum desires to extend the A.P.D. for the subject well until October 15, 1986. The A.P.D. has been extended previously and is due to expire on or about September 20, 1986. We make this request as the well is within the Farmington City limits and our permit from the City stipulates we drill between October 1 and April 1. In order to minimize paperwork, we ask that this extension be approved.
