Application for Unorthodox Location  
W. H. Riddle No. 3R  
Basin Dakota Field  
San Juan County, New Mexico

Amoco Production Company hereby requests approval of an unorthodox well location for the W. H. Riddle No. 3R. The proposed location is 1370' FSL x 1450' FWL of Section 24, T30N, R10W, San Juan County, New Mexico.

This well was restaked in the unorthodox location indicated above in order to avoid a high cliff on the east side of the location. The BLM said it would require to much of a cut.

A copy of this application is being sent by certified mail to the offset lease holders, Tenneco, El Paso, and Southland Royalty, with the request that they furnish you a waiver of objection and return one copy of the same to me.

Sincerely,

*W. J. Holcomb*
