Dear Mr. Perrin:

The enclosed article from The Daily Times newspaper dated February 15, 2001 indicates that the Farmington City Council approved the application to drill the subject well.

Texakoma Oil & Gas Corporation agreed to comply with the stipulations offered by the Planning and Zoning and the Oil and Gas Commissions.

Please advise me of any other requirements needed for you to approve the Permit to Drill the well.

Yours very truly,

TEXAKOMA OIL & GAS CORPORATION
