- 5.) The production from the Arnie #3 well will be based on the gas sales from the central delivery point plus the compressor fuel usage less the metered volume from the Arnie #4.

Attached please find a diagram of the surface commingling proposal.

Calpine Natural Gas Company, L.P. is requesting administrative approval to grand an exception to Rule 303A. Please feel free to call me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Hugo Cartaya". The signature is fluid and cursive, with the first name "Hugo" written in a more compact, stylized script and the last name "Cartaya" written in a more legible, though still cursive, script. The signature is positioned to the right of the word "Sincerely,".
