Gentlemen:

Your well, Rice Unit #1, located SW 20-30-12, has been  
shut in and is ready for production as of August 15, 1961.

Due to necessary forms not being filed with the New  
Mexico Oil Conservation Commission in Aztec, we do not have the  
authority to produce this well.

Please advise.

Yours very truly,

EL PASO NATURAL GAS COMPANY
