Attn: Mr. Walter Kilgo

Dear Walter:

We have never received a 1963 annual packer leakage test for your San Juan Unit 32-5 #1-X-19.

If a test was completed on this well during 1963 will you please submit three copies of the packer leakage test. If a test was not completed, please schedule the well for a packer test at your earliest convenience.

Yours very truly

OIL CONSERVATION COMMISSION
1000 RIO GRAZOS ROAD
AZTEC, NEW MEXICO

February 22, 1944

Mr. J. H. (Jack) Goring
1000 Rio Grazos Road
Aztec, New Mexico

Dear Mr. Goring:

Thank you for

your letter of January 27, 1944, regarding the
oil conservation work being done in the

area of the Rio Grazos Road. The work being done
in this area is of a preliminary nature and
is being done in order to determine the
feasibility of developing the area for
oil production.

Sincerely,
J. H. Goring

Very truly yours,
J. H. Goring
