17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Fish in hole, top of fish at 1170'.

Contractor's rig moved off and new rotary rig moved to lease. Rig now on lease and will remain on lease to do necessary work on this well in the spring when we are able to reach the location after deep snows and mud disappear. This well is shut-down until spring.

It is the intention to recover fish or whipstock this well and drill to TD for completion.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
