Re: Edward M. Kriss

Little Chama Valley Co. #1-C 2-1N-2E M&B Survey

Would I be correct in considering the attached
copy of form C-103 a change of location rather
than a plugging report, as identified?

Thanking You,

OK
No must is of now
drilling an app. to this well
and depending upon
results of this drilling
the well either reenter
or P+A. This well sometimes
this spring - the attached
is not a plugging
report.
