13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This is a subsequent report to our original plan to plug and abandon this well.

It is our intention to complete these operations by June 1, 1996. We have been delayed due to forest service restrictions on operations within the forest. The original plan has been approved by the necessary regulatory agencies and will be strictly adhered to.
