Re: Arboles 20A I-20-32N-4W

Gentlemen:

One month ago I returned to you the plats, form C-102, that were filed with the permit for the referenced well. The plats were incomplete and have not yet been returned to this office. This is causing us a great amount of inconvenience as we cannot process the permit without the plats and it appears that this well has had problems.

Please resubmit the plats immediately to avoid fines and other penalties.

The well name and number do not comply with state requirements and will need to be changed.

If you have any questions, please contact this office.

Sincerely,

Frank T. Chavez  
District Supervisor
