Mr. William LeMay

Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

Application was made to locate the El Paso Natural Gas Company's San Juan 32-5 Unit #108 at 885' from the north line and 770' from the east line of Section 27, T-32-N, R-5-W, Rio Arriba County, New Mexico on June 13, 1988. This location has been moved to 2100' from the North line and 100' from the East line of Section 27, T-32-N, R-5-W, Rio Arriba County, New Mexico at the request of the Bureau of Reclamation.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the northeast quarter of this section.

El Paso Natural Gas Company is the operator of the San Juan 32-5 Unit.

Plats showing the proposed well location and the terrain in Section 27, along with an ownership plat, are attached.

Sincerely yours,

Peggy Bradfield

encl.
