13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Reference Vastar's sundry notice dated 07/27/00 and BLM's Stephen Mason's letter dated 10/24/00, re the subject well. After cleaning out the well and attempting to kick the well off w/Nitrogen assist it was determined the well will not produce w/o artificial lift. The well is shut in until Spring due to Forest Service restrictions. Vastar plans to install artificial lift and return the well to production by July, 2001.
