Texaco, Inc.
P. O. Box 810
Farmington, New Mexico

Re: Texaco, Inc.
New Mexico Com M #1
A-36-31N-12W

Dear Mr. Hogue:

The attached copy of the annual Packer-Leakage Test report for the subject well indicates communication between the producible zones.

You are hereby directed to initiate immediately the remedial action necessary to cause the mechanical completion of the well to comply with the Rules and Regulations and with the order which authorized the dual completion.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Engineer, District #3
